DAHLIAS FROM OUR GARDENS ARE OF VERY GOOD QUALITY AND NOT EXPENSIVE, THEREFORE BUY YOUR DAHLIAS FROM A SPECIALIST!

This catalogue includes a fine collection of commercial cutflower varieties in several sizes, as well as large flowering dahlias for the garden.

OUR BULBS ARE GOVERNMENT INSPECTED

Stock offered are strong divisions of field clumps.

We guarantee all shipments to be sent out in good growing condition, plump, true to name and of standard size.

All complaints must be made within ten (10) days after receipt of shipment. (Except being true to name, and that as soon as possible.)

TERMS—Are cash or part cash, with C. O. D. shipments. No packing charges.

Telegraph orders receive our special attention.

Dahlia bulbs shipped by express are rated as second class and are listed as perishable.

All freight and parcel post shipments travel at purchaser's risk as freight companies do not insure against freeze. Freight shipments travel slow and are handled rough. First-class freight costs about the same as express.

If order is not too large, it will travel much cheaper via parcel post. We will be glad to help you watch the weather to keep your bulbs from freezing.

If no postage is included with parcel post order, we will send C. O. D. for postage.

BE SURE TO SEND POSTAGE. Any extra postage will be returned promptly.
